# CONTINUING EDUCATION

Please join us for a live webinar with Dr. Katherine Sweet, DVM, DACVR-RO.

## Radiation Therapy For Intracranial Tumours

**Date:** Wednesday, February 16, 2022

**Time:** 7:00pm

**Location:** Microsoft Teams Meeting

**RSVP:** February 15, 2022

### SESSION SYNOPSIS:

Overview of radiation therapy recommendations for intracranial tumours including meningioma, glioma, and pituitary tumours. This will include consideration of different treatment schedules for different tumour types (stereotactic radiation therapy versus full-course/conventionally fractionated radiation therapy), recheck schedule, and anticipated response/prognosis.
