Please join us for a live webinar with Dr. James Lange, BSc, BVSC.

Initial Assessment and Resuscitation of the Trauma Patient

Dates: Thursday, March 18, 2021

Time: 7:00pm

Location: Microsoft Teams Meeting

SESSION SYNOPSIS:

Dr. Lange will be discussing how to approach the emergent trauma care, from admission to stabilization and reassessment. He will discuss how best to assess resuscitation efforts and use fluid therapy judiciously. This information can help with stabilizing to transfer or when treating the trauma case that presents to your clinic emergently.
