CLINICAL
BITES

CONTINUING EDUCATION

Please join us for a live presentation with Justin Lavallee DVM MSc DACVS-SA

Flapping in the Wind: Canine Osteochondrosis Dissecans

Date: Thursday March 23, 2023

Time: Dinner 6:30 PM | Presentation 7:00 PM

Location: Western Veterinary Specialist & Emergency Centre*

RSVP: March 21, 2023

**Remote attendance available*

SESSION SYNOPSIS:

This presentation will cover the pathogenesis of OCD as it is currently understood. Treatment options (both surgical and non-surgical) for various affected joints will be discussed. Case examples will be used to highlight the importance of case selection when choosing the appropriate treatment for the individual patient.

CE credits

Justin Lavallée, DVM, MSc, DACVS-SA

Dr. Lavallée obtained his veterinary degree from the Western College of Veterinary Medicine (WCVU). He then completed a small animal rotating internship at the Veterinary Emergency Centre in Toronto followed by a surgical residency at WCVU. During his residency, he completed a Master's of Science degree and subsequently received his board certification from the American College of Veterinary Surgeons.
