CONTINUING EDUCATION

Please join us for a live webinar with Dr. James Lange, BSc, BVSC.

Dialysis in Veterinary Medicine: Therapeutic Plasma Exchange

Dates: Tuesday, March 22, 2022

Time: 7:00pm

Location: Microsoft Teams Meeting

SESSION SYNOPSIS:

Dr. Lange will introduce dialysis as a whole, and will focus on the use of Therapeutic Plasma Exchange (TPE). TPE is the form of dialysis currently practiced at Western Veterinary Specialty. Dr. Lange will present the indications for TPE, how it is performed, as well as outcomes and potential complications.
