& Emergency Centre

CONTINUING EDUCATION

Please join us for an in-person, continuing education session with Clare Hyatt, DVM, MS, DACVECC.

Antidotes in Veterinary Medicine

Date: Monday, January 22, 2024

Time: Dinner 6:30 PM | Presentation 7:00 PM

Location: Western Veterinary Specialist & Emergency Centre*

RSVP: January 19, 2024

**In-person attendance only*

SESSION SYNOPSIS:

This talk will focus on veterinary toxicology and specifically the use of antidotes in veterinary medicine. We will discuss common indications for antidotes, dosing regimens, potential complications, and when to consider advanced procedures such as therapeutic plasma exchange.
