CONTINUING EDUCATION

Please join us for a live webinar with Justin Lavallée, DVM, MSc, DACVS-SA

A Labrador Retriever and A French Bulldog Walk Into a Bar...

Dates: Tuesday, July 20, 2021

Time: 7:00pm

Location: Microsoft Teams Meeting

RSVP: July 19, 2021

SESSION SYNOPSIS:

This session will focus on the pathogenesis, stabilization, diagnostic work-up, and treatment of patients with upper airway obstruction. Perioperative care will also be discussed. The focus will be on laryngeal paralysis and brachycephalic obstructive airway syndrome as it pertains to the primary care and referral settings.

Justin Lavallée, DVM, MSc, DACVS-SA

Dr. Lavallée obtained his veterinary degree from the Western College of Veterinary Medicine (WCVN). He then completed a small animal rotating internship at the Veterinary Emergency Centre in Toronto followed by a surgical residency at WCVN. During his residency, he completed a Master's of Science degree and subsequently received his board certification from the American College of Veterinary Surgeons.
